

Supplies to Buy

- Puppy Food (We are currently feeding Purina or Our Custom Made,)
- Food And Water Bowls (Stainless steel or crock type bowls are the best)
- Collar (A good nylon snap collar, it's easy to put on and take off and is machine washable)
- ID Tags (I also suggest the Avid Microchip, which we can do for \$40)
- Leash (nylon 6 ft lead, it's easy to put on and take off and is machine washable)
- Grooming Supplies
 - Brush or mitt puppy shampoo (hypoallergenic, in case it gets in eyes)
 - Toothbrush and paste nail clippers

- Treats: (Iams, puppy biscuits, milk bone puppy biscuits, pig ears)
- Safe Chew Toys (Rope Bones, Kong's, Nothing too small or with small parts)
- Edible Chew Toys (compressed rawhide bones, pig ears)
- A Pet Crate and/or Bed (An enclosed, plastic crate w/ blanket)
- Stain and scent remover (Natures Miracle is an excellent stain/odor remover)
- Veterinarian: (Making sure your puppy gets good medical care)
- Vitamins: (Nuvet Vitamins are required for the Health Guarantee, No other vitamins will honor guarantee.
